## OUTLOOK PER EUROBASKET.COM

**Offense:** A true “pass-first” point guard. Unselfish player. Makes everyone else better. Outstanding handle. Can get in the lane and distribute. One of the quickest guards in the nation from foul line to foul line. Outstanding physical condition, Strong, well-built (NFL football-like). Will raise the bar for any team with his condition.

**Defense:** Absolute “lockdown” defender, Tough, Very quick, one of the best on-the-ball defenders in the country. Slides feet well, Intense, very competitive. Has a nose for the ball, Rebounds extremely well for size, almost 5 per game. With his combination of strength, speed, toughness and endurance, can guard anyone man-to-man full-court.
